2024 - 2025

The air smelled delicious from the scrumptious apple crumble we baked. We peeled & diced the apples and then mixed up some yummy crumbs to sprinkle on top. We also made our own pizza pitas and veggie salad for lunch.

We worked hard on making sure we had a beautiful Rosh Hashana project. We colored, cut and glued! We sent our beautiful Simanim cards to the office for laminating. We can't wait to put this on the Rosh Hashana table along with our homemade honey dishes for our families to enjoy.

It was so nice to make our name tags for our cubbies and we learnt which items are our own personal ones.

May everyone have a beautiful yuntif!
 Happy and a Healthy New Year!
