

MINI DAY CAMP

A HOMERUN
EVERY DAY!

OTSAR's first day of Summer Camp was a "BALL."

We started the day with davening and movement.

We exercised to our favorite music.

The day continued with an amazing bubble show! We got to see all of the different bubbles and even went into an actual bubble.

Baking baseball cupcakes was a "HIT." We got to bake and frost them using different frostings.

Later on in the day we went outside and enjoyed our time doing some arts and crafts!

Don't forget tomorrow's trip to Chuck E Cheese :)
