Trip to Canarsie Pier..

In spirit of the glorious weather, the participants spent a day at Canarsie

Pier. When we arrived, some of us chose to go on a walk while others

observed people fishing and boats passing by. **Gita** especially

enjoyed watching the fishermen catch big fish. We soaked in the sun

and returned to Day Hab feeling refreshed. We are on a "roll" with our

exciting trips! Can you guess what's coming up next week?!

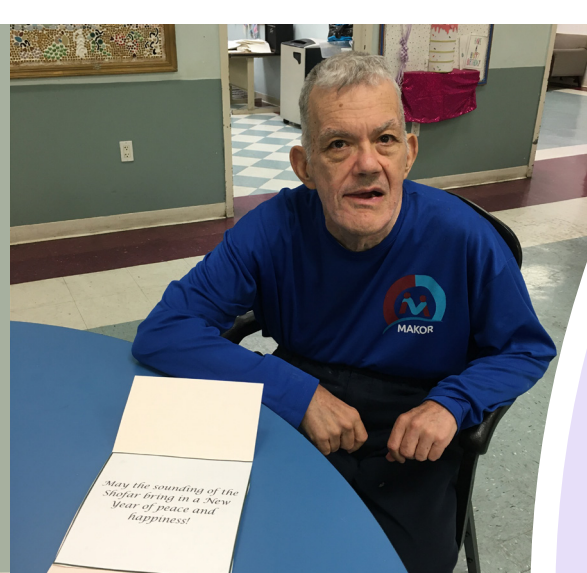

Rosh Hashanah Cards..

A "sweet" craft was prepared in honor of the upcoming Yom Tov of Rosh

Hashanah. The participants made delightful cards that we will be mailing out.

We started off with pasting a decorated apple onto a pretty paper. **Jonathan**

envisioned sitting at the meal, dipping the apple into honey. We then placed a paper with the words *Shana Tova U'mesukah* in the corner of the card. The participants pasted beautiful ribbons on the edge of the paper. **Zisha** was seen with a serious look on his face, hard at work. Some of us made another card. This one had the prayer with a magnificent flower surrounding it. We can hardly wait to send out these breathtaking cards to our family and friends!!

Shofar Blowing..

In honor of the start of the month of Elul, we have a special daily showing. Ari blows the shofar with a reverberating sound. This reminds us of the significance of Elul and stirs us to do teshuva. May Hashem bentch us with a year filled with all the brachos that we daven for!!

Spot the Item..

This week's activity was "spot on"! The participants were jumping out of their seats with contagious energy as staff explained the game.

We divided the room into three so that two tables competed against each other. We announced different items around the room and our job was to find them. Once a participant spotted an item, he/she raced around the room. Whoever reached the item first earned their team a point. American flag anyone? **Mordy** spotted a "birthday cake" on the bulletin board. **Maria** frantically searched and finally found the word *Summer* on the wall. Our intelligence and sharp vision came in handy. The participants aced their way through the game and emerged victorious. The laughter lasted through the day and accompanied us home!
