2024 - 2025

It is so great to be back at Otsar with all our friends.

We started off with a visit from Rob of Impact Drumming. It was a great drumming session as he helped us get into the rhythm of things.

Fall is in the air! We love the beautifully colored crisp leaves that crunch underneath our feet as we walk outdoors. We created our very own Fall leaves today. We painted Fall color leaves with a layer of glue. We then sprinkled the leaves with green or yellow split peas, & brown or red lentils. We will leave them at Otsar to dry and bring them home next week.

We also made Fall scented play dough. The scent of cinnamon wafted through the halls. We enjoyed spending time rolling and cutting shapes.

Looking forward to seeing everyone next week!
