

8-21 & 8-22

What a great time we are having here at Otsar Mini Day Camp!

On Wednesday we had a great time bowling at Melody Lanes. We loved it so much that Melissa let us play a second game! We would have liked to stay some more, but it was time to get back for lunch, crafts, & outdoors. Before we could blink, it was time to head home. We hope you enjoyed our beautiful baseball frames with our pictures inside. We used acrylic paint, and once that dried, we “stitched” it to look like a baseball.

On Thursday we headed out to Prospect Park for a picnic lunch and a ride or two on the carousel. This carousel, originally brought to Prospect Park in 1952, was restored in the 1990s. It was hard to decide on which of the 53 hand-carved horses (plus other assorted animals) to sit on.

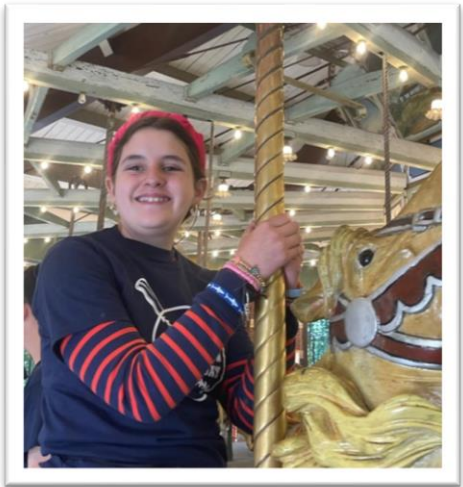

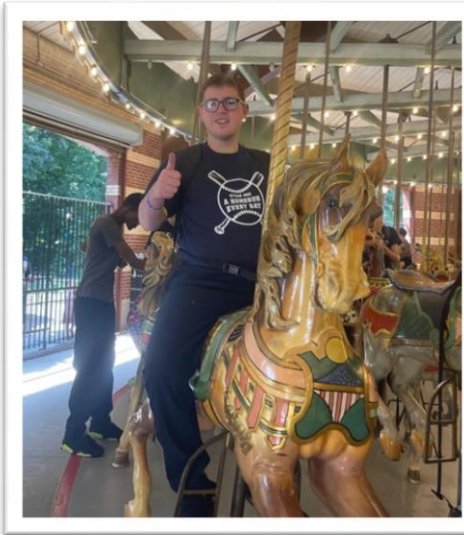

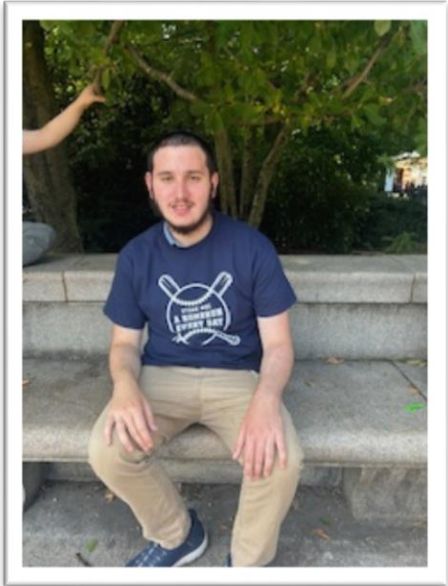

Tomorrow we will have a visit from Impact Drumming. We will also enjoy a pizza lunch and something special for our Shabbos party.

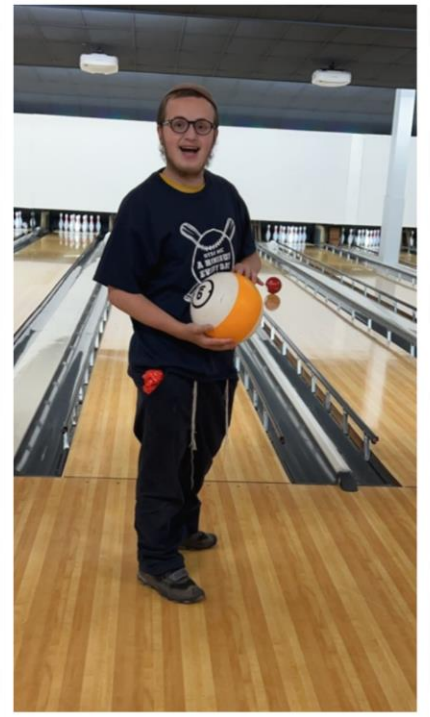

FYI – we put on our T-shirts every time we have a trip and we put them in our cubbies right when we get back. We’ll bring them home after the last trip.

Melissa 😊
