It was such an unbelievable 9 days.

From the first day we had a bubble show with Alex who made such beautiful creations with bubbles.

The second day we took a great trip to Chuck E Cheese and had unlimited time with unlimited fun!

The third day we had an exciting trip to the bowling alley! It was so much fun to knock some or all of the pins down!

The fourth day we had a fantastic trip to the carousel and a picnic lunch. What fun it was to go spinning around on all of the horses and site see Prospect Park!

The fifth day we had a yummy Shabbos party and we got to drum with Rob the drummer! How nice it was to play the musical instruments alongside him.

Day 6 we went to the Staten Island Zoo. We got to see all different types of animals. It was so much fun to sit and have a picnic lunch in the tent.

Day 7 we had a great day in house baking and doing arts and crafts.

Day 8 we had such a nice time by the Aquarium. It was so nice to have a scavenger hunt and saw so many different water animals.
