Trip to Melody Lanes..

On Wednesday, the participants went on a "strike"ing trip to the bowling alley. We got off the buses in the morning with glistening faces.

Every day at Otsar is exciting but this Wednesday was extra special!

We loaded the buses eagerly and were on our way. The participants were in tough competition as everyone at Otsar is skilled bowlers.

Francine swiftly rolled the ball down the lane. Next up was **Yossi**.

Roger swung the ball, like a professional. The scores were racking up. The

lucky winner was none other than **Yanky!** We clapped and cheered for him.

Miriam shared that she had a wonderful time. The participants truly had a "ball".

All too soon, we were back at Day Hab. A special shout out to our wonderful staff

for arranging these weekly trips!

Baseball Game..

Eddie J and **Mordy** were lucky to go on an exclusive trip to a baseball game! They got ready in no time, adorned their caps and were on their way. The game was a smashing hit. We cheered along with the fans when one of the players hit a home run. We're grateful to Otsar for our "lineup" of trips that are "way out of the park"!

Planting..

On Monday, Fayge walked in to Day Hab with two large planters. Could it be true?! The participants were delighted to plant flowers! Planting is an old-time hobby that brings a sense of warmth and contentment. We started out with shoveling soil in to the planters, one by one. Our strong group of participants were right up to the task. We then cleared up a spot in the soil, removed the flowers from their containers and placed it in the soil. **Maria** did a

superb job maneuvering the flowers. **Yvette** relished the sensory feel of the soil. We placed the planters at the entrance to Day Hab to beautify our outdoors. It is a treat to watch the participants “blossom” before our eyes!

Spot the Item..

This week’s activity was “spot on”! The participants were jumping out of their seats with contagious energy as staff explained the game. We divided the room into three so that two tables competed against each other. We announced different items around the room and our job was to find them. Once a participant spotted an item, he/she raced around the room. Whoever reached the item first earned their team a point. Painting of an orange juice carton anyone? **Lila** spotted a “fireplace” on the bulletin board. **Bracha** frantically searched and finally found the word *Spring* on the wall. Our intelligence and sharp vision came in handy. The participants aced their way through the game and emerged victorious!! The laughter lasted through the day and accompanied us home!
