Trip to Chuck E. Cheese..

Rumors were heard throughout Day Hab. Is it really true?! When we announced we would be going to Chuck. E. Cheese, the participants erupted in cheers. On Wednesday, we loaded the buses as fast as we can eager to get there early. When we arrived, Chuck E., the renowned mouse mascot, waved to us. We purchased points and ran off to play the arcades. Who can spin the wheel? **Roger** was one away from 1,000 tickets! **Yanky** played skee-ball, with a whopping score of 30. **Danny** shocked us with his incredible strength, banging the hammer down with vigor. We were excited to find new arcades such as Monopoly and skee-ball with a pull feature. The participants couldn't get enough and the adrenaline rush pumped through our veins. We had a hard time leaving but we know we'll be back real soon. Special shout out to our dedicated staff for making this trip an unforgettable experience! We so appreciate you!

Dancing with Arkadiy..

The participants count down the days to Arkadiy's dancing session. He brings unique energy, positivity and smiles to our Day Hab. As always, Arkadiy was greeted with resounding applause when he arrived. We started out with warm up exercises. "Stretch those hands as high as you can". We continued learning the Cha Cha dance. Arkadiy showed us the steps, along with a beat. One, two, clap clap clap.. He then danced with each participant individually. **Bobby** danced like a pro, familiar with the steps. **Yelena** did the twirl perfectly. We were blown away by our skilled dancers. The participants have mastered many dance rhythms and are ready to take it up a notch. Stay tuned for some new moves that will most definitely "take the floor"!

Spotlight on Eshka..

We brought back a cherished tradition and started our weekly spotlight again! On Wednesday, the lucky participant featured was none other than **Eshka**. We learnt all about her likes and interests. Eshka's favorite lunch served at Otsar is homemade pizza. The participants cheered as we couldn't agree more! We learnt that her

favorite day of the week is Monday. A memorable trip she shared is when we went to the New York Aquarium. Eshka's most-liked season is spring as she loves watching the flowers bloom. Her chosen holiday is Thanksgiving and she is looking forward to a turkey dinner.

During her spare time, Eshka loves to cook and bake. We then went around the room and offered the participants an opportunity to ask questions. **Sara** wanted to know how many years Eshka has been at Otsar. The participants admire Eshka's contagious smile and positive energy. Can you guess who's on for spotlight next week?! His name starts with a D!

Musical Chairs..

On Monday, we joined the camaraderie and played the classic game of musical chairs. We prepared the chairs in a line and turned on lively music. The participants danced along, eyeing the iPad with music playing to see when it would stop. **Gita** reached the chair just before **Maria**. We cheered our friends on and aced our way through the game. The lucky winner was **Bracha**! Shout out to our wonderful participants for giving each activity their best shot!
